Dear Community Business Partner,

The Ohio Elite Soccer Academy is seeking support for its major spring fundraising event. The event is our “Footsteps For the Future” annual Walk-A-Thon. We are asking for tax-deductible monetary donations and gifts from area merchants. The gifts will be raffled to participants the day of the Walk-A-Thon and monetary donations will be used entirely to support the development of our new soccer park in West Chester, Ohio. This is our Academy’s largest fundraising event and its success depends greatly on the raffle and prizes donated by you, our business community. The Walk-A-Thon will take place Monday, May 23, 2011 at the OESA Training & Competition Facility on Rialto Road in West Chester, Ohio.

Ohio Elite Soccer Academy was founded in 2002 and has over 500 members. The Academy runs tournaments and has teams and Clubs from outside the community playing in West Chester each weekend. Our Members and Visitors are patrons of the local Hotels, Restaurants, and Gas Stations etc. that are in the West Chester Area. For more information on Ohio Elite Soccer Academy, visit our website at www.ohioelite.com.

Contributors will be recognized in several ways:

- A complete listing of contributions will be sent to the families and staff of OESA.
- Contributors will be listed on a reference guide distributed to all attendees.
- Contributors will be given the opportunity to set-up marketing and /or a booth during the event.

If you would prefer to make a monetary donation we are appreciative for any denomination. Please send your donation to the address listed below.

Profits from the Walk-A-Thon will help support our “Footsteps for the Future” Program. This program will fund the development of our new soccer park on Rialto Road in the West Chester area in Cincinnati, Ohio. Please see the attached information for a layout and details of the proposed park plan.

Should you have any questions or need to arrange a pick-up of your donated item, please email Vicky Lesiak at vlesiak@ohioelite.com. Correspondence may be sent to:
