TRYOUT REGISTRATION

All current and prospective players are required to register for tryouts online prior to participating in tryouts. This gets your information in our system and makes for a smooth process when accepting a position and team registration.

TRYOUT ATTENDANCE REQUIREMENT

All prospective players are required to attend at least 1 tryout in order to be considered for a place in an Ohio Elite team unless otherwise approved by the appropriate gender Director of Coaching. It is highly recommended that prospective players participate in as many tryout sessions as possible. The more opportunities the staff have to evaluate a prospective player the more accurate the evaluation will be.

TRYOUT SESSIONS

Players should arrive early in order to check-in for tryouts. This is only required at your first tryout date of attendance. If you attend multiple days you may go directly to your assigned field upon arrival after the first day of participation. There is no need to check-in again after you have attended your first session. Players will be given a tryout shirt with a number that is their's to keep and will be directed to their assigned field. Coaches for that age group(s) will direct the session.

OFFICIAL OFFERS TO OHIO ELITE TEAMS

Official offers may begin for prospective players immediately after the first tryout of attendance and will continue through the Monday following the last tryout date. Official offers will come by way of e-mail from Ohio Elite Soccer Academy.

ACCEPTING OFFERS TO OHIO ELITE TEAMS

Players will have 24 hours to accept their offer once it is received via e-mail. The offer e-mail will include the option to accept their offer. When officially accepting an offer with Ohio Elite you will be required to pay the initial deposit. Initial deposit amount can be found on the Fees/Payments document.
