## 2025-2026 OESA Payment Overview and Collection Procedures U6-U19 (2020-2007) | Registration from November 2025 – July 2026

### *Overview*

The payment and timely collection of fees is a critical component to establishing long-term viability for our Program. It is also one of the most difficult. We have spent a tremendous amount of time establishing fees that balance the needs of our club and the resources of our families. We firmly believe when families experience the professional training and coaching as well as character development of their sons and daughters, they will realize a tremendous return on their modest investment.

### *Collection Procedures*

Families have two options when making fee payments:

- Fees Must be paid through our online Athlete One Portal. Players who are offered positions on teams will be sent instructions on how to accept their position and pay the fees online.
- Fees can be paid in Full or financed by making a non-refundable deposit and then payments spread throughout each season. Please note that financing carries an additional charge for each payment. These payments can only be arranged this way: Automatic payment from a Visa, MasterCard, DiscoverCard or American Express Credit Cards.

Fees can be paid online by logging in to your Athlete One Parent account at  
<https://app.athleteone.com/auth/login>

Please note all fees paid are non-refundable. In the case of a season ending injury, fees may be prorated against the remaining season and credited towards the next season's fees.

### *Payment Procedure*

**All Deposits along with Payment in Full or Payment Plans will be due upon acceptance to a team. More information on how to complete this will be sent to you after the Tryout Process.** Any Deposit not Received within the required Response Time after tryouts will jeopardize the player's position on the team. This position would then be offered to the next available player. There are no exceptions to this policy.

\*\*For families that may have more than one player in the club, a multi-family discount plan is available. A 10% discount will be applied to each additional child after your first. If you have three kids in the program then your second and third child will get a 10% discount. As well, the discount will be applied to the higher fees.

**NO FAMILY DISCOUNTS WILL BE HONORED IF PAID AFTER OUR TRYOUT ACCEPTANCE DEADLINES!!!**

Please contact Tim Lesiak at [tiesiak@ohioelite.com](mailto:tiesiak@ohioelite.com) for more information on the Family Discount
